## FOR LEADERS OF PARISHES AND MINISTRIES

ESSENTIAL STEPS IN RECEIVING AN ALLEGATION OF REPORTABLE CONDUCT.

Inform the Office for Safeguarding Diocese of Parramatta (OSDP) within 24 hours.

The Bishop, as Head of a Religious Entity has arranged for the OSDP to directly manage all allegations of reportable conduct for all parishes, ministries and some agencies.

The OSDP must notify the Office of the Children's Guardian (OCG) in 7 working days.

OSDP will work closely with the Leader of the Parish or Ministry to make this report.

OSDP manages the necessary investigation of the allegation to reach a fair and proper finding. They work closely with the Leader of the Parish or Ministry to complete this.

The Leader of the Parish or Ministry remains responsible for implementing outcomes for their personnel.

This is an allegation based scheme.

Are you unsure if something may be an allegation? Contact OSDP for advice.

Notification and recording occurs centrally in the Diocese through the OSDP.
